Nationally 67.7% of children reached a Good level of Development

Commentary:

We are delighted with these outcomes. It is our highest EYFS outcome for 3 years. We are 17.3% above national average.

These high standards are due to the hard work of staff, pupils and parents, combined to the improvements in both indoor and outdoor provision. Our phonics scheme, Monster Phonics continues to help children make a really good start to reading and writing.

Commentary:

These results are a well-deserved culmination of 4 years in Key Stage 2. The headline outcome of Reading/Writing/Maths combined being 25% higher than national figures shows the thoroughness of our curriculum and the impact of support via classteachers and our SENCO. Children at Blackboys are excellently equipped for life in Key Stage 3; a major part of our curriculum intent.
